Cct-17/50.

Tessrs J. Taylor & Co., Bell Founders, Lourhborough, LEIC.

Cear Sirs,

I regret the delay in considering your estimates for the repairs successed in your letter of May 24/50. This has been mainly due to the change in the incumbency. Fowever I wish to state that the matter has been defeared for further consideration later on, after the results of an effort to raise money for various parochial purposes, is known.

Yours faithfully,
