Dear Mr. Crook,

Deane Parish Church - Bells.

Many thanks for your letter and we are sorry that it was through illness that you were not able to meet our Mr. Fidler when he called upon the Vicar to discuss the question of the bells.

We are to-day writing the Vicar with confirmation of the estimate and other points discussed with Mr. Fidler and trust that you will accept our apologies for the delay which has taken place, but it will not be repeated in future.

Again with many thanks for writing to us,

Yours sincerely,

John Taylor & Co.
