Gentlemen,

Thank you for yours of the 5th inst., I am pleased to inform you that we already have received a Faculty to proceed with the work. On 6th July 1953, a Faculty was obtained to cover the complete restoration of the church, and it included as Item 3 "To Re-cast and Re-hang the Bells." Thus, as far as we can see everything is in order from our point of view.

I hope to hear that you can now carry on with the work at your early convenience.

Yours faithfully,
