Oct. 30/54.

Messrs. John Taylor & Co.,

Gentlemen,

No doubt, by now, you will have received a communication from Messrs. Broadshaw, Goss, & Hope; and I trust you will have been able to satisfy their inquiry. The preparation of the holes in the Tower walls is now in hand.

We are proposing to dedicate the bells on Feb. 12/55, & I would be glad to have your assurance that the installation of the peal will be completed by that date.

Thanking you in anticipation

yours faithfully

M. Brook.
