Dear Sir,

Deane Church.

In reply to your letter of the 7th instant we beg to state that our Mr. Fidler will visit the tower of the above Church on Wednesday morning of next week, the 16th instant, arriving at about 10.30.

Will you kindly arrange for the tower to be open so that Mr. Fidler will be able to gain access upon arrival and if you cannot be there yourself at that time it will be very helpful if another of the ringers could be on hand so that Mr. Fidler will be able to pass on any useful hints relative to the maintenance of the peal.

Yours faithfully,

CH/JS.
