

,50, Carlton St.,  
Farnworth, Lancashire,  
June 1954.

Dear Sir,

You will probably have heard by now that the Parish Church of St. John the Evangelist, Farnworth and Kearsley, is to have a new striking clock and a recast peal of eight bells hung in a new steel frame with Tenor of 11½ cwt. by Messrs. Taylor.

These bells and clock will be dedicated at 3 p.m. on SATURDAY 11th September 1954 by the Lord Bishop of Middleton (The Rt. Rev. Frank Woods) in the presence of the donors of the bells and of a large company of Ringers.

Would it be too much to ask you to avoid booking any other ringing events on this day, so that you could be present with us at this service?

The bells will be available for ringing after the service, and also after tea which will be served in school to all your Branch members at a moderate charge. Further details will appear in the "RINGING WORLD".

I trust these arrangements will meet with your approval, and hope to see you at Farnworth on 11th Sept. 1954.

Yours sincerely,  
Joseph Thornley,  
Tower Captain.
